

PORSCHE

**The sports car for the entire family.**

**The Porsche Cayenne.**

## **The Cayenne: a sports car for five.**

The emotions experienced in a Porsche can be described in many words. But we simply refer to them as sports car fascination. At Porsche we feel that this experience is best enjoyed when shared. That's what makes the Cayenne a truly exceptional sports car. It was the first Porsche that allowed that legendary drive that only a Porsche can offer, to be shared with the entire family. With five doors that are open for any family adventure, the Cayenne makes the Porsche experience even more fascinating and more diverse. And, ultimately, it stays true to what every Porsche is: a real sports car. For real sports car lovers, who are living their great dream. And sharing it with their loved ones.

## DNA of a Porsche, with the practicality of an SUV.

One look at the Cayenne and you'll notice that it is unmistakably a Porsche. Typical distinguishing features such as the heavily emphasised front wings, the long, sloping bonnet with power domes and the characteristic three-piece air intakes, emphasise the iconic sports car design. Featuring an 8-speed Tiptronic S for a more impressive drive, the Cayenne also shows off its practicality as a family car with a generous boot space of 770 litres, that can be more than doubled with the rear seat folded down.

## A sports car experience, shared in luxurious comfort.

With the Cayenne, you and your family will be enjoying the exhilaration and excitement of a sports car in style. Sporting an interior that marries elegance with dynamism, the front features 14-way electric comfort seats. The coloured ambient lighting sets precisely targeted lighting accents in the interior. The four-zone automatic climate control features individual temperature controls for the driver and front passenger, and separate ones for the rear seats, too.

**Your sports car  
experience,  
further enhanced.**

The Cayenne now comes fully enhanced with the Premium Package, at no additional cost. Enjoy a vast array of additional features to add to your driving dynamics and overall comfort.

Type	V6 turbo
Cylinders	6
Valves per cylinder	4
Displacement	2,995cm³
Max. power (DIN) of combustion engine at rpm	250kW (340ps) 5,300–6,400rpm
Max. torque of combustion engine at rpm	450Nm 1,340–5,300rpm
Transmission	
Layout	Porsche Traction Management (PTM): active all-wheel drive with electronic and map-controlled multi-plate clutch with automatic brake differential (ABD) and anti-slip regulation (ASR)
Transmission	8-speed Tiptronic S
All-wheel-drive torque distribution (front/rear)	Variable
Differential locks	Controlled multi-plate clutch, variable inter-axle lock
Chassis	
Front axle	Fully independent aluminium multi-link suspension
Rear axle	Fully independent aluminium multi-link suspension
Steering	Power-assisted, electromechanical
Turning circle diameter	12.1m
Turning circle diameter in conjunction with rear-axle steering	11.5m
Brake system	Four-piston aluminium monobloc fixed brake calipers at front, two-piston units at rear, internally vented brake discs front and rear
Front axle brake disc diameter/thickness	350mm/34mm
Rear axle brake disc diameter/thickness	330mm/26mm

## Technical data.

Weights	Cayenne
Unladen weight (DIN)	1,985kg
Unladen weight (EC) <sup>1)</sup>	2,060kg
Permissible gross weight	2,830kg
Permissible axle load front (rear)	1,435kg (1,455kg)
Maximum payload	845kg
Maximum permissible roof load with Porsche roof transport system	100kg
Maximum trailer load (braked)	3,500kg

##### Volumes

Luggage compartment capacity to top of rear bench seat <sup>2)</sup>	770 litres
Luggage compartment capacity with rear bench seat folded down	1,710 litres
Tank capacity	75 litres

##### Performance

Top speed	245km/h
Acceleration 0–100km/h	6.2secs
Acceleration 0–100km/h with Performance Start <sup>3)</sup>	5.9secs
Acceleration 0–160km/h	14.1secs
Acceleration 0–160km/h with Performance Start <sup>3)</sup>	13.8secs
Overtaking acceleration (80–120km/h)	4.1secs

<sup>[1]</sup> Weight is calculated in accordance with the relevant EC Directives and is valid for vehicles with standard specification only. Optional equipment increases this figure. The figure given includes 75kg for the driver.

<sup>[2]</sup> Rear bench seat in cargo position.

<sup>[3]</sup> In conjunction with optional Sport Chrono Package.

Colours and features may differ from those illustrated. Some equipment items are available as extra-cost options only. The features and options in the Cayenne Premium Package are subject to change without notice.
